

# Help us **THRIVE!**

Inflation has taken its toll on businesses across the nation, and Fra Noi is no exception. Our advertising has rebounded nicely since the dark days of the pandemic and subscriber support is as strong as ever, but skyrocketing postage and printing costs have put quite a dent in our bottom line.

In the coming months, we'll be raising our subscription and advertising rates to keep pace with rising prices. For now, though, we need your help to get caught up.

**A CONTRIBUTION OF AS LITTLE AS \$5 PER SUBSCRIBER  
WILL PUT US BACK ON SOLID FINANCIAL GROUND.**

Meanwhile, plans are in the works to keep Fra Noi thriving for years to come. To find out why Fra Noi's future is looking so bright, turn to page 13. But before you do ...

**PLEASE GIVE AS GENEROUSLY AS YOU CAN!**
